Going out of town? Worried about your pet? Advanced PetCare of Oakland now offers deluxe boarding facilities to keep your pets warm, comfortable, and fed with lots of attention for only \$23 a day!

Features a dual level condo and a thermal blanket for a cozy night's sleep!

Within each of those dual level condos there are great places for your pet to relax while having the option to bathe in the sun!

Also, each condo has a private room for their litter box!

As well as having their own private room, they will also get a window on both floors for a great view!

Each condo is spacious enough to relax and feel at home. Your companions will also get attention and everything they need to have a comfortable stay.

The boarders have the option of having our in-house food or they may be fed any special diet that is requested.
